WASTE MANAGEMENT DIVISION

Dear Ms. Mancos:

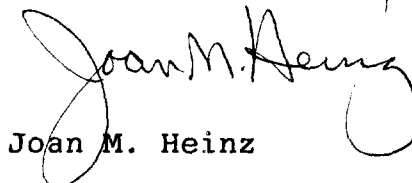

This letter is written on behalf of our client, Systems Research Laboratories, Inc. ("SRL"), and responds to your request for information relating to the above site. SRL requested and received, from Mr. Ken Tindall, an extension to the time within which to reply to EPA'S July 14, 1987 information request, up to and including September 18, 1987.

We have reviewed SRL's files for the period Mr. Tindall determined was relevant; 1970-1980, the period during which the Cardington Road landfill was in operation. We have been unable to locate any document or record in SRL's files which indicates that any SRL waste ever went to the Cardington Road site during the period referenced above or during any other period. Because we can find no documents linking SRL to the site, would your office provide us with any and all material in your possession which you believe may link SRL with the Cardington Road, Moraine, Ohio site?
